Harbourside

If you are looking for a Harbourside location there is the 15 metre deep boardwalk around Luna Park at Milsons Point. Located almost beneath the Harbour Bridge it has spectacular views of the Opera House, the city, Lavender Bay and Balmain and is available for photographs or ceremonies of less than 60 guests. It is worth noting that it is a very busy area and you cannot have exclusive use of the boardwalk, however there is no charge or time limit. Contact North Sydney Council on 9936 8100 for more information.

Luna Park itself is also available for wedding photographs. Built in the 1930s and recently restored, photos can be taken amongst the rides of this historic amusement park such as the Wild Mouse, Dodgem Cars, Tumblebug, Rotor and the Ferris Wheel, or with a backdrop of the Crystal Palace, Coney Island or the iconic, laughing Face. The fee is \$300 and there is no time limit. Luna Park is at 1 Olympic Drive, Milsons Point and more information can be obtained by contacting 9033 7592.
